

Far West LLC A company behind many black operations. Some names and information for further research

Below are a series of articles mentioning activities of Far West LLC A consulting firm with an odd way of doing business. Also some pictures of players in the company and some background information on them. Researchers and readers familiar with Peter Dale Scott (see his work in the Global Drug Meta Group which I think we have in the drugs board here) will recognise many here. I have only included the English articles. There is much more in Russian at ????.??
