

Concentration Camps in America, for Americans!

By Pastor Michael Treis

Many people have felt my reports of the probable use of concentration camps are ludicrous. These are charges I not have made in haste or frivolously. I have seen quite a few of these facilities and have been sent photos and locations of many others. I have warned of these camps for TEN YEARS!

Congressman Henry Gonzales a democrat from my home state of Texas revealed many years ago in an interview, which I have a copy of on video, plans of Rex 84 which former colonel Ollie North helped design. The late Representative Jack Brooks also of Texas brought this concentration camp and internment program as well as the Continuity of Government Program to light during the Iran Contra hearing. The chairman refused to let North even talk about them in open hearings under "National Security." Mr. Gonzales stated these camps and plans were for the detention of AMERICANS, especially those who refused to surrender their weapons.

Another gentleman I have had the pleasure to talk to on numerous occasions, we will call him "Mr. Sea", revealed much more in the following interview.

In the spring of 1997, Senior Editor, Professor Ian Stewart, met with "Mr. Sea" (real name known but withheld) to discuss what he has learned first-hand about the coming persecution at the hands of the New World Order operatives.

With a seven-inch thick portfolio filled with photographs, news articles, correspondence, etc., Mr. Sea revealed disturbing information about New World Order efforts to destroy and enslave America.

The following are some of Mr. Sea's comments. But first, let's take a look at the man who made the comments.

Mr. Sea, a committed Christian, is a former inspector for the Joint Chiefs of Staff and the Department of Defense, with 31 years of federal service: 22 in the military, nine with the Department of Defense, including two years with the Air Staff. He's a holder of the Bronze Star, the Purple Heart, the Defense Meritorious Service Medal, three awards of the Joint Service Medal, all of the Vietnamese awards, as well as the Joint Meritorious Unit Medal.

When he retired a few years ago, he was awarded the Secretary of Defense Civilian Service Medal. He's been around the world to 31 countries on four continents, and speaks five languages.

Mr. Sea spoke of the coming American Holocaust of the Government's plans for dealing with the non-New World Orderites. He spoke of the infrastructure that has already been

set up to incarcerate and execute Americans, and the locations of the facilities that will be used for these purposes all with photographs, leaving little to the imagination.

"The infrastructure is set up. There are at least 130 concentration camps quietly modified facilities which have sprung up and continue to spring up across the country, seemingly devoid of activity, yet requiring strange accoutrements such as barbed wire-topped fencing (with the tops turned inward) and helicopter wind socks. Most have good logistical supportability, with major highways and railroad transport facilities adjacent to the sites.

"These facilities, many in remote areas across our country, are set up to become concentration/detention camps, complete with gas chambers, for resisters and dissidents. Generally speaking, they're set up for dissenters who will not go along with the New World Order. The 'resisters' are gun owners who refuse to give up their weapons; the 'dissidents' are Christians, Patriots and Constitutionals. These camps are set up. I've seen many of them.

"On August 6, 1994, I toured the Amtrak Railcar Repair Facility at Beech Grove, Indianapolis, Indiana. There are at least ten maintenance barns at this facility, covering 129 acres, with two separate fences with the tops leaning inward. The windows of several buildings have been bricked up. Hence, you have three levels of security for Amtrak repair barns!

"There are three helicopter 25-knot aviation wind socks (which aren't the correct ones to use for chemical spills which require 10-knot wind socks). There are high security NSA-style people turnstiles, and high intensity/security lighting for 24-hour operation. The box car (gas chamber) building fence is marked with special 'RED/BLUE Zone' signs [visible in the photo]. This corresponds to the 'mission' of the RED/BLUE Lists which surfaced in June and July of 1996."

"Under martial law, this will become a death camp. They're only going to handle category one and two (RED and BLUE) people there. This box car facility will be used for execution.'

"One of the barns is large enough to put four box cars into. There are powered vents on the top of the barn to vent the gas out of the building after the box cars have been fumigated. All of the buildings have newly installed six-inch gas pipes and furnaces installed in all 'railroad barns.'

"Since the photo [snipped] was taken in August 1994, FEMA has allocated \$6 million to make the walls and roofs of the buildings 'airtight' (see article below). Under martial law, this facility could be immediately used as an SS-style 'termination' gas chamber.

"On January 27, 1995, The Indianapolis News ran an article titled, 'Amtrak Lays off 212 at Beech Grove: 170 Lose Jobs at Maintenance Center Today.' Why perform \$6 million worth of renovations, and then lay off 212 people? Because the people doing the final

executions will not be Americans. Thus, the 'slots' of the 212 will be filled with non-Americans.

"They'll hire foreigners for this 'cappo' task. Cappo ('chief' in Italian) was the title of the trustee prisoners who actually killed many Jews for the SS butchers at Dachau, and at other Nazi crematoria across Europe.

"The news article also said, '...hopes the yard may be able to solicit work repairing private train cars, and perhaps subway cars from Washington, DC, or other urban areas.' The repairing of private trains is a dead giveaway to death cars!

"The article went on to say, 'Late last year, Congress ordered Amtrak to spend at least \$5.9 million patching holes in the roof and fixing masonry on the walls of the giant machine sheds at Beech Grove.' These buildings have been 'sealed.' They're airtight. The facility is constructed to allow gas to be blown into all the buildings via the newly installed, two-story, hot air heating furnaces."

Next, Mr. Sea elaborated on the two categories the 'RED and BLUE Lists' and what they mean: "The RED List is for pick-up and execution before unobtrusive preparations for martial law are initiated. The BLUE List is also for execution, but at a later date 'within six weeks of martial law declaration. There are no 're-education' plans for either category' just execution.

"When you get picked up on a RED pick-up, they'll take you from your home at night...probably around 4 a.m. and put you in a black van, then drive you to a helicopter waiting to fly you to an intermediate point. There, you'll be loaded onto a big 64-passenger CH-47 Chinook helicopter...all black, unmarked and illegally operating under the Treaty on Open Skies.

"Then they'll fly you to one of 38 cities where you'll board a 747, 737, or 727. "You may be taken straight to a temporary detention facility. When you're RED listed, you'll be taken to a red camp. Then you'll be executed.

"At some point, martial law will be declared. (Martial law is when the writ of Habeas Corpus to have a trial by jury is suspended. Instead, of going to the judge, you go straight to jail for a limited time,) I suspect there will be a major outage, or some other crisis which will be the reason to declare martial law. At this point, the BLUE listed people will be picked up. At that time, the country will be regionalized into ten regions, which are already designated by FEMA.

"Be advised that it has been proven (in Wyoming and at least one other location) that the black choppers have state-of-the-art radio (RF) frequency wideband jammers, and can jam cell phones and CBs while they're executing black operations missions (i.e., in your area). This means that your cell phone could be jammed just before and/or during any action against you.

"In June of 1996, an FBI agent got hold of the Region Three BLUE List (from a CIA agent), and found his own name on it, and those of several others he knew in Virginia. The Regional BLUE List stated that the names on the BLUE List would be picked up 'within six weeks of the actual martial law declaration.'

"This parallels the Nazi RED/BLUE List policy almost to the letter. The parallel Nazi plan was published by Heinz Hohne in his 1966 book, *The Story of the Nazi SS: The Order of the Death's Head*.

"People say, 'It won't work.' But it will work if the 300,000 Soviet troops which are ALREADY HERE can get the guns. The name of the game is to blackball the people to get the guns . . . make the militia look bad, make guns look bad, make everybody give up their guns. Once they get your gun, they've got you, UNLESS you've got the angel of the Lord at your door. If you've got the angel of the Lord out there protecting you, it's another story. "The ones doing all of this are operating out of the highest places in the Federal Government. They're cooperating with 'spirit guides and mediums' and using astrology and numerology. The spirit guides are telling them what to do, and the entire thing is being orchestrated at the highest spiritual levels. Every base has been covered. They've thought of everything.

"If you notice, they often do things on the 13th of the month. Mr. Clinton does a lot of things on the 13th. On September 13, 1993, the brokered Israeli-PLO peace accord was signed. He waited 14 days, until September 13, 1994 to sign the Crime Bill. On June 13, 1995, he stated he'd veto the national debt authorization ceiling. On November 13, he did veto it. On January 13, 1996, he made a speech to Bosnia.

"Amos 3:7 says that God doesn't do anything without first revealing His secrets to His servants the prophets. God is giving His people warnings. There are people who go to prophecy conferences to see when the rapture is going to take place and listen to all the peaceful prophets prophesying good news and glad tidings. But if we'll listen to God, He is warning us of the times that are coming. We need to prepare.

"There will be an interim of probably just days from the time they launch the RED List, to the declaration of martial law when they'll start coming after those on the BLUE List. It'll work the same way it did with the Nazis who had a list of people to pick up, on June 30, 1934, before they declared their 'mobilization.'

"It's the same blueprint being used because it's the same spirit leading the Fourth Reich as led the Third Reich. In Germany, they used trains, here it will be helicopters and 747s.

"When Hitler was villainizing the Jews, he hired thugs and dressed them in black uniforms (our whole country is not going to black uniforms). He was building concentration camps and setting up a transport system. In this country, they're now in the process of villainizing Christians, Patriots, Constitutionals, and outspoken talk-show hosts, etc.

"Who will be doing the actual picking up? Foreign 'cops' (United Nations Internal Security Forces). Over 30 foreign military bases under the United Nations flag are already set up in the US., all with the approval of special appointees in high Federal positions. These bases are already manned with over ONE MILLION troops from Russia, Poland, Germany, Belgium, Turkey, Great Britain, Nicaragua, and Asian countries.

"Why are they here? Because unlike our own troops many of which along with the Guard and Reserve of 24 states are being deployed overseas will have no qualms about firing on U.S. citizens when the time comes.

"There are more than 2,000 Russian tanks, military trucks and chemical warfare vehicles just outside Gulfport, Mississippi. They began arriving in January of 1994.

"There are 180 foreign troops at Fort Reilly which was confirmed to me by a Brigadier General. There are 300 who came into the Birmingham, Alabama airport on a big white Russian cargo plane on December 13, 1995.

"As of 1995, there were 10,000 plus foreign troops at Fort Chafee, Arkansas reportedly making preparations for 20,000 'detainees.'

"Also in 1995 at Fort Polk, Louisiana (U.S. Army Post), Russian and Eastern European troops were deployed under the U.N. flag. [When questioned about this, the legislative aide of the congressman who resides over Fort Polk, stated, "Yes, they were there undertaking broad, joint training exercises. And, yes, the U.N. flag was flying. There may still be some there today."]

"At the Aberdeen Proving Grounds, there are many Russian tanks. One of the NCOs told his father that he'd been maintaining them.

"This is going on all over the country. German troops are known to be at Holloman Air Force Base in New Mexico, Wright-Patterson Air Force Base in Ohio, and Fort Hood, Texas. Chinese troops are known to be at the Long Beach Naval Station in California.

"There's not going to be some future event when the invading troops are going to show up. They're already here. When martial law is implemented, these foreign U.N. troops will be policing our country, carrying out the plans of the New World Order.

"God is warning His people. There isn't much time before these events begin to take place. God's people need to prepare themselves in every way possible. It's not a time for fear. It's a time for prayer, preparation and sharing our faith with a lost world.

"We must always remember Ephesians 6:12 which states: 'For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.'" End of interview.

Under the USA PATRIOT ACT & Homeland Security Act the Constitution has been gutted of its very heart and soul. President Bush and his henchmen not only had prior knowledge of 9-11 but assisted the events of that ominous day, documented! Each and every one an accomplice to the MURDER of 3000 at the WTC. All to pass the draconian “laws”, and implement the last stages of America’s downfall. To put their pipeline through Afghanistan, and bring down “terrorist countries” which want no part of their one-world-government and fight against it to their deaths.

People who dare to stand against their totalitarian New World Order demanding their Constitutional Rights will be named “Enemy Combatants” and be placed in the camps with NO rights to trial, counsel or even phone call. Don’t believe me? Wed. August 14, 2002 in the LA Times, Jonathan Turley, a professor of constitutional law at George Washington University wrote an article entitled Camps for Citizens: Ashcroft's Hellish Vision. Attorney general shows himself as a menace to liberty. Professor Turley clearly shows Ashcroft for what he is, a fascist at best. These draconian acts passed in clear violation of the Constitution are not aimed at foreign terrorists but at US citizens. Why? We are preparing for a one-world-government under UN control, and those who pose a threat will be eliminated.

Even your money tells you so! Take out a dollar bill, right now. Turn it over and look at the back. You will see a pyramid with the “all seeing eye” of Lucifer “the Light Bearer”. At the base of the pyramid is the date May 1, 1776 the date of the founding of the Illuminati who’s founders worship Lucifer. The inscription around the circle that encircles the pyramid says; “Annuet Coeptis Novus Ordo Seclorum”, which is Latin for Announcing the Birth of the New World Order. This was placed on dollar by 32 degree Mason, President Franklin D. Roosevelt in 1933.

Conspiracy? No consensus of those who govern US and have; since 1913 destroyed our wonderful Republic, replacing it with their socialist democracy. Dan 12:7 says power is granted, “to scatter the power of the holy people.” The reason, we have turned our backs on God allowing the only Christian nation to be destroyed from within.

The churches preach pabulum in a time when strong meat is required. Ministers are whores for the collection plate and refuse to stand against iniquity, perversion, abortion, and the enforcement of Gods law in this nation. Time grows shorter, Satan the devil Lucifer is setting up his kingdom, a counterfeit of the kingdom our Savior Yahshua Messiah most know as Jesus is soon returning to set up. [Luk 21:36](#) Said it best: “Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.” These things have been prophesied in the Word of God, the Bible they will come to be. Read it yourself and see!

FEMA CONCENTRATION CAMPS: Locations and Executive Orders

There over 800 prison camps in the United States, all fully operational and ready to receive prisoners. They are all staffed and even surrounded by full-time guards, but they are all empty. These camps are to be operated by FEMA (Federal Emergency Management Agency, now under Homeland Security) should Martial Law need to be implemented in the United States and all it would take is a presidential signature on a proclamation and the attorney general's signature on a warrant to which a list of names is attached. Ask yourself if you really want to be on Ashcroft's list.

The Rex 84 Program was established on the reasoning that if a "mass exodus" of illegal aliens crossed the Mexican/US border, they would be quickly rounded up and detained in detention centers by FEMA. The influx increases EVERY DAY, but little attempt has been made to stop it or use these facilities. house not one illegal alien. Rex 84 allowed many military bases to be closed down and to be turned into prisons.

Operation Cable Splicer and Garden Plot are the two sub programs which will be implemented once the Rex 84 program is initiated for its proper purpose. Garden Plot is the program to control the population. Cable Splicer is the program for an orderly takeover of the state and local governments by the federal government. FEMA is the executive arm of the coming police state and thus will head up all operations. The Presidential Executive Orders already listed on the Federal Register also are part of the legal framework for this operation.

The camps all have railroad facilities as well as roads leading to and from the detention facilities. Many also have an airport nearby. The majority of the camps can house a population of 20,000 prisoners. Currently, the largest of these facilities is just outside of Fairbanks, Alaska. The Alaskan facility is a massive mental health facility and can hold approximately 2 million people.

Now let's review the justification for any actions taken...

Executive Orders associated with FEMA that would suspend the Constitution and the Bill of Rights. These Executive Orders have been on record for nearly 30 years and could be enacted by the stroke of a Presidential pen...

It also provides that when a state of emergency is declared by the President, Congress cannot review the action for six months. The Federal Emergency Management Agency has broad powers in every aspect of the nation. General Frank Salzedo, chief of FEMA's Civil Security Division stated in a 1983 conference that he saw FEMA's role as a "new frontier in the protection of individual and governmental leaders from assassination, and of civil and military installations from sabotage and/or attack, as well as prevention of dissident groups from gaining access to U.S. opinion, or a global audience in times of crisis." FEMA's powers were consolidated by President Carter to incorporate the...

Marseilles - Located on the Illinois River off Interstate 80 on Hwy 6. It is a relatively small facility with a cap of 1400 prisoners. Being located on the Illinois River it is possible that prisoners will be brought in by water as well as by road and air. This facility is approximately 75 miles west of Chicago. INDIANA

Indianapolis / Marion County - Amtrak railcar repair facility (closed); controversial site of a major alleged detention / processing center. Although some sources state that this site is a "red herring", photographic and video evidence suggests otherwise. This large facility contains large 3-4 inch gas mains to large furnaces (crematoria??), helicopter landing pads, railheads for prisoners, Red/Blue/Green zones for classifying/processing incoming personnel, one-way turnstiles, barracks, towers, high fences with razor wire, etc. Personnel with government clearance who are friendly to the patriot movement took

a guided tour of the facility to confirm this site. This site is located next to a closed refrigeration plant facility. Ft. Benjamin Harrison - Located in the northeast part of Indianapolis, this base has been decommissioned from "active" use but portions are still ideally converted to hold detainees. Helicopter landing areas still exist for prisoners to be brought in by air, land & rail. Crown Point - Across street from county jail, former hospital. One wing presently being used for county work-release program, 80% of facility still unused. Possible FEMA detention center or holding facility. Camp Atterbury - Facility is converted to hold prisoners and boasts two active compounds presently configured for minimum security detainees. Located just west of Interstate 65 near Edinburgh, south of Indianapolis. Terre Haute - Federal Correctional Institution, Satellite prison camp and death facility. Equipped with crematoria reported to have a capacity of 3,000 people a day. FEMA designated facility located here. Fort Wayne - This city located in Northeast Indiana has a FEMA designated detention facility, accessible by air, road and nearby rail. Kingsbury - This "closed" military base is adjacent to a state fish & wildlife preserve. Part of the base is converted to an industrial park, but the southern portion of this property is still used. It is bordered on the south by railroad, and is staffed with some foreign-speaking UN troops. A local police officer who was hunting and camping close to the base in the game preserve was accosted, roughed up, and warned by the English-speaking unit commander to stay away from the area. It was suggested to the officer that the welfare of his family would depend on his "silence". Located just southeast of LaPorte. Jasper-Pulaski Wildlife Area - Youth Corrections farm located here. Facility is "closed", but is still staffed and being "renovated". Total capacity unknown. Grissom AFB - This closed airbase still handles a lot of traffic, and has a "state-owned" prison compound on the southern part of the facility.

UNICOR

. Jefferson Proving Grounds - Southern Indiana - This facility was an active base with test firing occurring daily. Portions of the base have been opened to create an industrial park, but other areas are still highly restricted. A camp is believed to be located "downrange". Facility is equipped with an airfield and has a nearby rail line. Newport - Army Depot - VX nerve gas storage facility. Secret meetings were held here in 1998 regarding the addition of the Kankakee River watershed to the Heritage Rivers Initiative. Hammond - large enclosure identified in FEMA-designated city.

IOWA

No data available.

OTHER LOCATIONS IN THE UNITED STATES

There are many other locations not listed above that are worthy of consideration as a possible detention camp site, but due to space limitations and the time needed to verify, could not be included here. Virtually all military reservations, posts, bases, stations, & depots can be considered highly suspect (because it is "federal" land). Also fitting this category are "Regional Airports" and "International Airports" which also fall under federal jurisdiction and have limited-access areas. Mental hospitals, closed hospitals & nursing homes, closed military bases, wildlife refuges, state prisons, toxic waste dumps, hotels and other areas all have varying degrees of potential for being a detention camp area. The likelihood of a site being suspect increases with transportation access to the site, including airports/airstrips, railheads, navigable waterways & ports, interstate and US highways. Some facilities are "disguised" as industrial or commercial properties, camouflaged or even wholly contained inside large buildings (Indianapolis) or factories. Many inner-city buildings left vacant during the de-industrialization of America have been quietly acquired and held, sometimes retrofitted for their new uses.

CANADA

Our Canadian friends tell us that virtually all Canadian military bases, especially those north of the 50th Parallel, are all set up with concentration camps. Not even half of these can be listed, but here are a few sites with the massive land space to handle any population:

Suffield CFB - just north of Medicine Hat, less than 60 miles from the USA.

Primrose Lake Air Range - 70 miles northeast of Edmonton.

Wainwright CFB - halfway between Medicine Hat and Primrose Lake.

Ft. Nelson - Northernmost point on the BC Railway line.
